A Gourmet's Guide to Thai Cuisine

Ideally, for Thai Cuisine should be taken in small amounts.
There is a variety of dishes with different textures and flavours.
You will appreciate the flavours and taste more
if you select a few amounts at a time.
"The experience of having a Thai meal is a communal one.
Many dishes are served for all to share. This makes the meal more enjoyable
because you can sample different dishes."
The management at Dee Thai tries to make every effort
to ensure that every dish you order is cooked exactly to your requirement.

Dee Thai Management

Please advise the staff if you have any Allergies before placing your
order. Decorative items, such as banana leaf or orchid flower, should not be eaten.

Allergies & Intolerances

If you have food allergies, intolerance, or sensitivity, please let us
know before you order. We will be able to suggest the best dishes for you.

Our dishes are prepared in areas where allergenic ingredients
are present so we cannot guarantee they are 100% free from these ingredients.

Please note that recipes may occasionally change, so it is always best to check with your server before ordering.
Fish dishes may contain bones. Whilst we take care to remove any small bones or shells,
there is a small chance that some may remain.
Ingredients are subject to seasonal and import availability.

A 10% optional service charge may be added.
Our staff receive 100% of the tips. VAT is included in all prices shown.

At the time of booking for party of over 10 people,
A non-refundable deposit of £10.00 per person is required.
