

YO, WHAT'S UP?/你好

This book of drinks is your guide on how to enjoy what SLEEPYS has to offer. It has everything from our house cocktails to large-format bottles of wine, and everything in between. To help you out we have broken it up into sections. In each paragraph, you'll find some weird and wonderful options arranged (ideally) from lightest to heaviest. Please take a moment to read through carefully and as always, if you have any questions, feel free to holla.

Big love,

The Team @ SLEEPYS
