

# La Fugassa

Our filled focaccia is the result of patience, craft, and uncompromising quality. It begins with our house-made biga, nurtured to bring complexity and depth of flavor. The dough rests and matures for 48 hours, allowing time to weave together texture and aroma until it reaches its pinnacle, delicately crisp on the outside, tender and airy within.

## HOT FOCACCIA

### PORCAZZA

£ 12.9

Porchetta,  
Roasted Potatoes,
