FAMILLE HUGEL "GENTIL" 2023

13 / 65

ALSACE, FRANCE

A blend of basically everything great about Alsace in one glass. Aromatic, a little sweet, a little exotic and completely its own thing.

DOMAINE JEAN COLLET ET FILS 2024 CHABLIS

18 / 90

CÔTES DU RHÔNE, FRANCE

Pure Chablis — no oak, no softening, no apology. The Collet family have been farming the same Kimmeridgian limestone slopes outside Chablis for generations, and this is what that terroir tastes like.

DUNE WINE BLEWITT SPRINGS SHIRAZ 2023

13 / 65

MCLAREN VALE, SOUTH AUSTRALIA

McLaren Vale Shiraz from one of the region's most consistent small producers — 95 points from Halliday three vintages running.

VIEILLE JULIENNE DAUMEN GSM 2021

18 / 90

CÔTES DU RHÔNE, FRANCE

Grenache, Syrah, Mourvèdre from one of the Rhône's most respected names. Jean-Paul Daumen has been farming organically in Châteauneuf for decades. It's approachable, but with depth and character - exactly what you want with a plate of something coming off the coals.

W H I T E S

MR RIGGS 'MRS' 2024 PINOT GRIS 60

ADELAIDE HILLS, SOUTH AUSTRALIA

Easy drinking, a little sweet, goes down dangerously fast. Halliday Wine Score 90 points

BELLA MODELLA 2024 PINOT GRIGIO 80

ABRUZZO, ITALY

Exactly what you want on a warm afternoon. Cold, clean and refreshing — no drama, just a really good glass of white.

MESH RIESLING 2017 95

T B C

We have a new riesling coming, but I wasn't sure printing the menu before this weekend if it would make it today or not. I'll let you know what in stock.

PEGASUS BAY BEL CANTO 2024 RIESLING 120

WAIPARA, NEW ZEALAND

The location of Pegasus Bay has sea salt drifting in the air from the ocean, allowing a later picking, adding layers of richness to the wine even though 'it finishes dry, savoury and complex with plenty of minerally vitality and length of flavour'. In my opinion, one of the Southern Hemisphere's great rieslings — and at this price, one of our best value bottles. Halliday Wine Score 93 points.

BALTHASAR RESS RIESLING KABINETT 95

RHEINGAU, GERMANY

Slightly sweet riesling that sommeliers drink at home when nobody's watching. The one that goes with everything - incredibly food-friendly.

SERESIN 2023 SAUVIGNON BLANC 85

MARLBOROUGH, NEW ZEALAND

A Marlborough Sauv with lots of personality to it. The kind of bottle that makes you reconsider everything about the variety. Halliday Wine Score 93 points.

W H I T E S

MR RIGGS STICKY END 2022 VIOGNIER 75

MCLAREN VALE, SA

A late harvest sweet wine — rich and luscious but not cloying. It's as sweet as we go here, delightful after dinner. Halliday Wine Score 92 points

MOUNT PLEASANT ELIZABETH 2021 SEMILLON 90

HUNTER VALLEY, NEW SOUTH WALES

Consistently rated 93–95 points by James Halliday across every vintage he's reviewed (he didn't review 2021). One of Australia's most iconic white wines, and the one our regulars keep coming back to.

RUDI RABL SPIEGEL GRÜNER VELTLINER 80

KAMPTAL, AUSTRIA

Skin contact Grüner Veltliner from one of Austria's best producers. The kind of wine you won't find at many places in Melbourne — and once you've tried it, you'll understand why we put it on the list.

FAMILLE HUGEL "GENTIL" 2023 85

ALSACE, FRANCE

A blend of Gewurztraminer, Riesling, Pinot Gris, Muscat and Sylvaner — basically everything great about Alsace in one glass. Aromatic, a little sweet, a little exotic and completely its own thing. The one that always makes people say 'wow, what is that?'

CHATEAU DE NALYS SAINTES PIERRES BLANC 2021 245
CHÂTEAUNEUF-DU-PAPE, FRANCE

White Châteauneuf is one of the wine world's best kept secrets — most people don't know it exists, which makes it a great thing to put in front of someone. Nalys is one of the appellation's oldest estates, and this is mostly Grenache Blanc with Clairette and Roussanne — rich, textural, honeyed but with enough grip to stay interesting. The one for the table that's been ordering Burgundy all night.

Morgon is the serious one in Beaujolais — the cru that ages, that tastes like somewhere, that makes Pinot Noir drinkers stop and pay attention. Chateau de La Chaize is the largest estate in the appellation, farming the volcanic soils of the Côte du Py.

YERING STATION PINOT NOIR 2024 90

YARRA VALLEY, VICTORIA

Exactly what a good Pinot should be — light on its feet, pretty and drinkable. Strawberry, raspberry and a little floral spice, with a long fine finish. The kind of bottle that disappears faster than you planned. 94 points Halliday.

PARKER ESTATE FIRST GROWTH 2021 CAB / SAUV 150
COONAWARRA, SA

DOMAINE ELODIE ROY BOURGOGNE PINOT NOIR 2022 180
BURGUNDY, FRANCE

Village-level Burgundy from a small domaine — the kind of bottle that over-delivers precisely because it doesn't have a famous village name on the label to charge for. Bourgogne AC is where you find the producers who are doing the right thing in the vineyard without the prestige pricing, and at this level Elodie Roy is exactly that.

TÉLÉGRAMME CHÂTEAUNEUF-DU-PAPE 2022 285
MENDOZA ARGENTINA

From the Brunier family, who also make Vieux Télégraphe — one of the appellation's benchmark estates. Télégramme is their entry point and it's made with exactly the same philosophy: old Grenache vines, garrigue, structure, a wine that actually means something. If someone wants to spend up on a bottle of Southern Rhône red, this is where you point them.

CLOUDY BAY TE WAHI PINOT NOIR 2018 265
CENTRAL OTAGO, NEW ZEALAND

Cloudy Bay built its name in Marlborough, but Te Wahi is where they go when they want to make something genuinely serious. Central Otago Pinot at altitude — the kind of place where the temperature swings between day and night force the fruit to develop more complexity than it would anywhere warmer. The 2018 has had time to settle into itself: dark cherry, dried roses, a little earth and forest floor, with that cool-climate tension that separates Otago from everywhere else. The bottle for the table that knows what it's doing.
