Drinks

We see this bar as a place where people meet, stories unfold, and new connections are made.

Our drink list was curated with good food, great company and a little Bondi sea breeze in mind. Our wines are chosen from producers who work gently and honestly, letting the fruit speak for itself.

Our cocktails keep things simple: good spirits, fresh ingredients, and flavours that feel bright and easy. Nothing fussy, just drinks that make you feel good.

We hope you enjoy drinking with us as much as we've enjoyed bringing this list to life.
