Greenwich MERIDIAN – £15

Dill Vermouth | Hendricks | FAIR Cucumber | Saline Solution |
Cucumber Bitters | Dehydrated Fish Skin Garnish

Inspired by Greenwich's maritime past, Meridian is a bold cocktail that nods to the Royal Naval College, the salty Thames breeze, and the Prime Meridian — where time and tide converge.

Stratford HELIX - £14

Appleton 8 | Coconut Liquor | Clarified Pineapple | Lime Cordial

This dazzling tropical cocktail spirals skyward like the ArcelorMittal Orbit itself, a bold structure of twisted metal and ambition. Its vibrant, sun-soaked flavour evokes the spirit of a scorching Olympic summer, yet refreshes with a smooth, tropical chill that keeps you cool like a breeze through the Olympic Park. It's not just a drink—it's a celebration of energy, motion, and the sun-drenched spectacle of sport.

Hackney BEARDTAIL - £16

Sauvella Butter Fat Washed | Blueberry Cobbler Syrup | Kombucha
Cool, creative, and effortlessly edgy, this cocktail captures the spirit of Hackney—where vintage charm meets modern flair. A vibrant, tangy-smooth cocktail that blends a blueberry cobbler syrup and effervescent kombucha with the rich, velvety depth of butter-washed vodka: pure East London attitude in a glass.

SIGNATURE COCKTAILS

Aldgate GATEKEEPER - £14

Debt Collector 1Y | Rooibos Tea Syrup | Italicus | Citric Acid |
Toast Pale Ale

Rooted in Aldgate's storied past, this light cocktail blends ale and moonshine in a bold nod to the area's legacy as a gateway to London and a haven for historic pubs. Earthy, spirited, and just a little unruly, it opens with fresh energy and finishes with a nod to old taverns and long-lost toasts. A true throwback with modern swagger—like slipping through an ancient doorway into a night full of stories.

Shoreditch VANDALIZE IT! - £14

El Gobernador | Aperol | Pineapple | Grenadine | Peach Bitters

Inspired by the vibrant street art and eclectic energy of Shoreditch, this cocktail lets you get creative—just like the neighbourhood itself. With a bold, refreshing base, you can "graffiti" your drink by adding your own colourful twists. A visual masterpiece in a glass, reflecting the vibrant murals and artistic spirit that make Shoreditch iconic.

Whitechapel PANACEA - £15

Orange Infused Makers Mark | Cocchi di Torino |
Black Walnut Bitters

Drawing inspiration from the sharp intellect of the Victorian era's doctors, this cocktail balances the curious allure of mystery with the benefits of nature's finest ingredients. Infused with the bright, zesty notes of oranges, the grounding richness of walnuts, and the complex depth of bitters, it's a drink that sharpens the senses and invigorates the spirit. Just as Jack the Ripper's elusive mind intrigued, this concoction captivates with a perfect blend of healthful refreshment and dark elegance, leaving you feeling both revived and mesmerized.
