Restaurant Introduction

We are an Asian fusion restaurant conveniently located next to the Kingsford Light Rail stop in Sydney. Having proudly served the Kingsford and UNSW community for many years, we have built a strong reputation and a loyal customer base through our consistent quality, diverse menu and affordable prices. We are a popular local choice for family meals, gatherings with friends, student get-togethers and group dining.

Our menu features authentic Cantonese cuisine and Hong Kong-style dim sum, alongside a wide variety of Chinese cuisine, including bold and flavourful Sichuan and Hunan dishes with plenty of wok hei, as well as a delicious selection of Southeast Asian favourites. Whether you prefer mild and comforting flavours, don't eat spicy food, or simply can't get enough spice, there is something here for everyone.

We put care into every dish we prepare and are committed to providing quality food and excellent service to every guest, making every dining experience delicious, comfortable and memorable.

Great value, generous portions, freshly cooked to order and full of flavour.

Our goal is simple: for you to eat well, enjoy every bite and leave satisfied!
