# Try a paddle!

A paddle of 6 x 90ml beer tasters of your choice....

Ask our friendly staff for the full updated beer paddle sheet.

## HELPFUL HINTS

Start your journey from a lighter style to a heavier style

Allow your palate a few mouthfuls to reset from the previous beer

Darker styles of beer like a Porter or a Stout are best served slightly warmer

Loads of hops will heighten spicy food

Light beer with light food & bold beer with bold food

We recommend drinking the beers in order of IBU (low to high) to get the full flavours.
