P I Z Z E R I A

Corecore Pizzeria was born from our love for Naples, for pizza, and for the dream we're building together. In Naples, Corecore is a way of saying the deep passion and joy you feel for something special and for us, that's pizza.

We started on September 1st, 2023, with just a small oven, lots of dreams, and so much excitement to share. Today, our journey continues here on 40 Queenstown Road, and we couldn't be happier to finally welcome you.
