OUR STORY

FOUNDED BY TEDDY LEE 2015

Teddy's journey began as a chef, studying in a top Sushi Academy in Tokyo with the aim to produce high quality ramen and sushi. Through hard work and dedication to the craft, Teddy opened up the first ever Maki & Ramen in Edinburgh in 2015. We are now UK wide with a speciality in Japanese Cuisine and a true community focus. Teddy Lee has grown Maki & Ramen and learned a lot on the way - food isn't just about sustenance, it's about connections. Every broth, every noodle, every piece of sashimi carries a part of his journey.

We pride ourselves on our inclusive menu, with a wide variety of vegan, vegetarian and halal options, we're accessible for all. There's lots to choose from so enjoy your dining experience with us! Our goal is simple - bring people from all over the world together for a steamy bowl of ramen. *Your Journey, Our Bowl.*

寿司とヌードル

BROTH

Inspired by the hundreds of ramenya (ラーメン屋) or ramen shops in Japan, our broth goes through a painstaking eight hours to ensure the silkiest and richest broth available. We also have vegetarian, vegan and halal options available.

NOODLES

Enjoy our noodles, our own recipe from when we opened our doors in 2015. Always cooked to perfection - not too hard, not too soft, just the perfect amount of bite and texture. Truly the foundation of great ramen.

SUSHI

Our sushi chefs are the best in the business! With years of training, they're masters of their craft - producing unique, fresh and delicious sushi each and every time. You'll be transported to the streets of Japan in no time.

HALAL

We're proud to offer a majority halal menu in all of our branches! Look out for the halal icon next to our dishes and guess what? All of our sushi is 100% halal - with no alcohol in our rice, you can rest assured we've got you covered. Not sure about all of this - ask a member of staff about your options or scan the QR code below to see our certificates and more info!
