HOUSE RULES

ONE: Please respect our neighbours and our neighbourhood. We love Newtown and the people who live here, so please keep your voices down when you're outside and don't take your drinks out or litter.

TWO: Don't be creepy.

THREE: When you've reached your limit, be cool and cut yourself off. This will save us all an embarrassing conversation. Sleep comfortably knowing that we look forward to seeing you another day.

FOUR: Don't be afraid to engage your neighbour. Let's all get along and have fun.
(Caveat - see rule two)

FIVE: If Hot in Herre by Nelly plays, there will momentarily be no bar service. At least for the first verse anyway.
