SANTORINI TWIST

zesty, flirty, and not here to play nice.
malfy gin, limoncello, fresh lemon, and a sweet little
syrup to shake it up, enough sugar to make you blush.
—lemon meringue if she had a nightlife phase

LIFE'S A BEACH

smooth, sunny, and just a little too easy.
stolen white rum, coconut, piña classic
escapism done right
— paradise poured, responsibility optional

SNEAKY LINK

juicy, fiery, and strictly off the record.
rooster rojo tequila, watermelon, honey and chilli...
short, bold, and a little bit naughty
— the one you don't tell anyone about

CHAMPAGNE SUPERNOVA

white grape brandy, white cacao velvet, and italian
prosecco foam...
lush, floral, dangerously smooth
— for nights that feel like they might never end
