# OPENING STORY

**Saigon Savour** was born from a passion to bring the authentic flavours of Vietnam – and above all, the spirit of Saigon – closer to everyone.

Saigon, a vibrant and ever-changing city, **is where the culinary traditions of North, Central and South Vietnam come together.** In every steaming bowl of pho, every fragrant dish from the streets, there lies not just flavour, but also culture, memory and a sense of belonging.

At **Saigon Savour**, we recreate those tastes – authentic and comforting, yet with a touch of modern flair – so that every guest can experience **“A piece of Saigon in every moment.”**

# LỜI MỞ ĐẦU

**Saigon Savour** ra đời với khát vọng mang hương vị chân thật của Việt Nam – và trên hết là tinh thần của Sài Gòn – đến gần hơn với tất cả mọi người.

Sài Gòn, thành phố sôi động và luôn đổi mới, **là nơi hội tụ tinh hoa ẩm thực từ Bắc, Trung, Nam.** Trong từng bát phở nóng hổi, trong những món ăn dân dã trên đường phố, người ta tìm thấy không chỉ hương vị, mà còn cả văn hoá, ký ức và sự gắn kết.

Tại Saigon Savour, chúng tôi tái hiện lại những hương vị ấy – chân thật, gần gũi nhưng vẫn mang hơi thở hiện đại – để mỗi thực khách có thể cảm nhận được **“Một chút Sài Gòn trong từng khoảnh khắc.”**
