MODERN 14 MARTINIS

We Love Martinis, there is nothing Classier, Sassier or Boozier!

We've approached this by focusing on the minerality and salinity that people love in a dirty martini and added mouth feel, minerality and umami.

IRISH WHISKEY

WHISKIES PRICED AS 25ML

SINGLE POT STILL

Pot Still Irish Whiskey, the style that saw Irish Whiskey as the top selling whiskey in the world pre-prohibition. "Pot Still" refers to the clever use of Malted (richer notes) and Unmalted (spice notes) barley in the process.

SINGLE GRAIN

Single Grain Whiskies in our opinion tend to be softer in flavour and give breakfast whiskey vibes, not that we suggest you to drink whiskey for breakfast but that it's got more cereal flavours.
