

RCB LOUNGE | ಆರ್‌ಸಿಬಿ ಲೌಂಜ್

BYO - WINE ONLY

OUR STORY

In Bangalore, loyalty is a language of its own.
You stand by what you love — no matter what.

Just like a certain red-and-black team the city grew up with,
known not for easy wins, but for unwavering belief.

In the middle of all that noise, hope, and waiting,
he found something rare — a girl just as loyal.

Not the loud kind.

The steady kind.

The kind that stays, supports, believes,
and never walks away when things get tough.

Inspired by that loyalty — to a team, to a city, to a person —
this adda was born.

A place built on commitment, conversations, and comfort.
Where people gather, laugh, disagree,
and still stick together.

Because loyalty isn't about trophies.
It's about showing up, every time.

And just like that team...
this story, this space, and this love
are built to last.
