DXM

DAO (KNIFE)

A curved moon-shaped piece of metal with sharp edge that is used to slice a large block of dough downwards with one hand.

XIAO (SLICED)

A special technique that requires years of practice to quickly shave up to 200 strands a minute of noodles directly into a large pot of boiling water.

MIAN (NOODLE)

Handmade long and chewy noodles that are thick around the centre, but soft and thin on the edges, best served with our secret sauce.
