*My Nonno (second from the left) and his four brothers. When they arrived from Italy, Nonna told them to 'pose with a kangaroo' so they would appear more Australian.*

## BENVENUTA

Welcome to Bar Infinita, your local Italian spot for al fresco aperitivo, homemade cooking and delicious woodfired dishes to share.

We have been inspired by the recipes and rituals passed down from my Nonna and Nonno, who emigrated to Australia after World War II from Salina Island, just north of Sicily. We hope you enjoy our curated list of Amalfi-style cocktails, Italian wines and traditional liqueurs.

*Saluti!*

## *Orange*

Orange wines are made from white grapes that undergo skin contact during maceration, allowing the juice to extract color and texture from the grape skins: hence the name "orange."

(It's not from the town of Orange or the fruit!)

This is one of the oldest winemaking techniques, producing wines with complex flavors and a distinctive tannin structure, almost like drinking Earl Grey tea. Rich, textured, and full of character, orange wines offer a unique and exciting tasting experience.

75ml 150ml

**2022 ROCCO DI CARPENETO 'REIS' CORTESE PIEMONTE .....** **12** **23**

A perfect introduction to orange wines. Cortese, a delicate variety, truly shines with skin contact, revealing its best expression.

**2022 NASCIRI VINU I CASA BIANCO CALABRIA .....** **11** **21**

**2022 FATTORIA CALCABRINA 'LACRIMA' GRECHETTO UMBRIA .....** **13** **25**

From an untouched and raw land, this wine is a true showcase of orange wine at its finest: bold, expressive and full of character.

## *Rose*

75ml 150ml

**2023 VARVAGLIONE SUSUMANIELLO DEL SALENTO PUGLIA .....** **9** **18**

Think of a Provence Rose: light in colour, crispy on the palate and simply smashable!

**2022 CORVAGIALLA 'ROSATO' SANGIOVESE BLEND LAZIO .....** **12** **23**

This style is the only rose ever known in Italy. Grapes are left on skin for longer so that the colour gets deeper. They are dry and flavorsome, perfect with food.
