Wine List

"Dalla Terra", you know, it means "From The Earth" in Italian. It's all about our roots, you see? We really take care to choose every single wine, creating a list with famous names and also little treasures from new winemakers. Every year, our wine family grows — not only with bottles from big regions, but also from some you maybe never heard of before. And, of course, we love to bring in some icons from our neighbours and sometimes from far away. Every wine, it has its own story, ready to make your taste buds happy! For us, this list is proof of how we are always searching, always striving, to give you a beautiful experience with the best quality. Salute!
