## Our History

The tram depot in Bridge Road, Richmond, was the first of 15 tram shed complexes built between 1885 and 1891 to house the Melbourne cable trams. The depots were built by the Melbourne Tramway & Omnibus Co. Ltd. which owned and operated the service. The tracks and eleven cable winding engine houses were built by the Melbourne Tramways Trust.

The Richmond Depot was closed in 1927.

The Amora Hotel, rises from behind the original single-storey façade, which is all that remains of the original structure\*
