Woombye Ash Brie

Cow's milk~Woombye, Queensland 12

Woombye Ash Brie is carefully rolled in ash and repeated during the maturation process. The result is a cheese with a striking black and white appearance in addition to the rich and creamy centre of triple cream brie.

Maffra Cloth-Aged Cheddar

Cow's milk ~ Gippsland, Victoria 12

Maffra Cheese Co. is located on a dairy farm near Maffra, in the heart of Gippsland's lush dairying country. They have a reputation for producing some of Australia's best Cheddar. Their cloth-aged cheddar has sweet upfront notes with complex aftertones, and is matured to an optimal age of between 15 months to two years sleeping peacefully in the temperature-controlled maturing rooms on the farm. The cheese is ripened under cloth to allow for a thin rind to form.

Berry's Creek Riverine Blue

Buffalo milk~Gippsland, Victoria 14

Named in honour of the buffalo breed that grazes near Woodside in Gippsland. This blue has a soft and creamy texture with a light green, blue veining throughout. A sweet delicacy and subtle perfume upon warming to room temperature compliments the purity of this outstanding milk.

All cheeses are served with quince paste, pane carasau, and fruit bread.

NEBBIOLO

Nebbiolo is one of Italy's most prestigious and distinctive red grape varieties, primarily grown in the northwest region of Piedmont. It is renowned for producing wines that are deep, complex, and capable of aging beautifully. The grape itself is late-ripening, meaning it requires a long growing season to reach full maturity, which makes it particularly suited to the naturally cool, mountainous climate of Piedmont.

Wines made from Nebbiolo are characterised by their high acidity and firm tannins, which provide the backbone for their aging potential. Young Nebbiolo wines can be intense and even a little harsh, but with time, they evolve into something truly remarkable, developing intricate layers of flavour and aroma.

Nebbiolo is most famously associated with the prestigious wine regions of Barolo and Barbaresco, where the wines are considered among the finest in the world. These wines are often referred to as the 'King' and 'Queen' of Piedmont, respectively, due to their complex profiles and the exceptional terroir in which they are grown.
